From Single Implant Therapy to Full Mouth Rehabilitation-ABOUT SPEAKER

植牙中常見的情況,不是缺骨頭就是缺牙肉,更常見的就是兩者都缺。

因此如何有系統又有效率地按部就班逐一克服,這是我希望能在此課程中傳達給各位醫師的一 整套軟、硬組織處理的概念。

如何運用一些人工材料,在不讓病人多一處傷口的情況下,若也能達到相當程度的組織重建, 我相信也是大家所樂見的,除了能降低病人的不適感,提高病人的接受度、對醫師而言,手術時間 減少,病人滿意度增加,正是所謂的醫、病關係的雙贏。

只是在什麼情況下可以這樣子做?什麼情況下不可以,本次課程中將會詳細解說、示範,是我 希望能跟大家討論的重點。

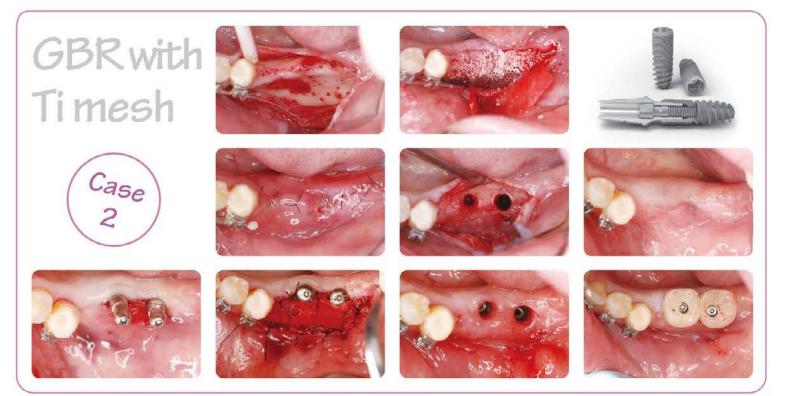

期待參加本次課程的醫師,之後面對軟、硬組織的挑戰能夠更加得心應手,有組織而系統化地 一步步達成美觀、Long-Term Stability的結果。 劉致遠 醫師

From Single Implant Therapy to Full Mouth Rehabilitation-PROGRAM

9:00~10:30	From Singe Implant Therapy to Full Mouth Rehabilitation
	(The Thinking Process of my Daily Work) Part-(I)
10:30~10:50	Coffee Break
10:50~12:20	From Singe Implant Therapy to Full Mouth Rehabilitation
	(The Thinking Process of my Daily Work)Part-(II)
12:20~13:30	Lunch
13:30~15:00	Socket Preservation Technique & Hands-On
	(Immediate Implant Placement Practice—Innovation Implant System (EL),
	Bone Model & Socket, Bone Graft, Membrane)
15:00~15:20	Coffee
15:20~17:00	The Hard Tissue Management (The Path to Success)
	GBR, Ti-mesh Sone Pin Membrane + Membrane Fixation Suture

Sunday, March	26 th , 2017
9:00~10:30	The Quality of the Soft Tissue (Utilizing HealiAid to
	Gain Keratinized Gingiva)
10:30~10:50	Coffee Break
10:50~12:00	Demo + Hands-on (HealiAid, Pig Jaw)
12:00~12:20	Q&A & Conclusion
12:20~13:30	Lunch
13:30~15:00	The Quantity of the Soft Tissue (Utilizing HealiAid to Gain Soft tissue thickness)
15:00~15:20	Coffee Break
15:20~16:30	Demo + Hands-on (HealiAid, Pig Jaw, Implant, Healing Abutment & Bonefill)
16:30~17:00	Q&A +Conclusion

Soft Tissue Augmentation with Healing Abutment
